

# TCD024f Targeting Hidden Talent Project (Phase 1): Business Justification Case

Ross Mackenzie, Dundee City Council

12th December 2025

# The Problem

**Many people aren't  
working:  
38,000!**

**Support starts too  
far ahead**

**Big obstacles to  
Work**

**Confusing Support  
System**

**Local inequalities**

**Not enough  
resource**

**Untapped potential:  
'Hidden Talent'**

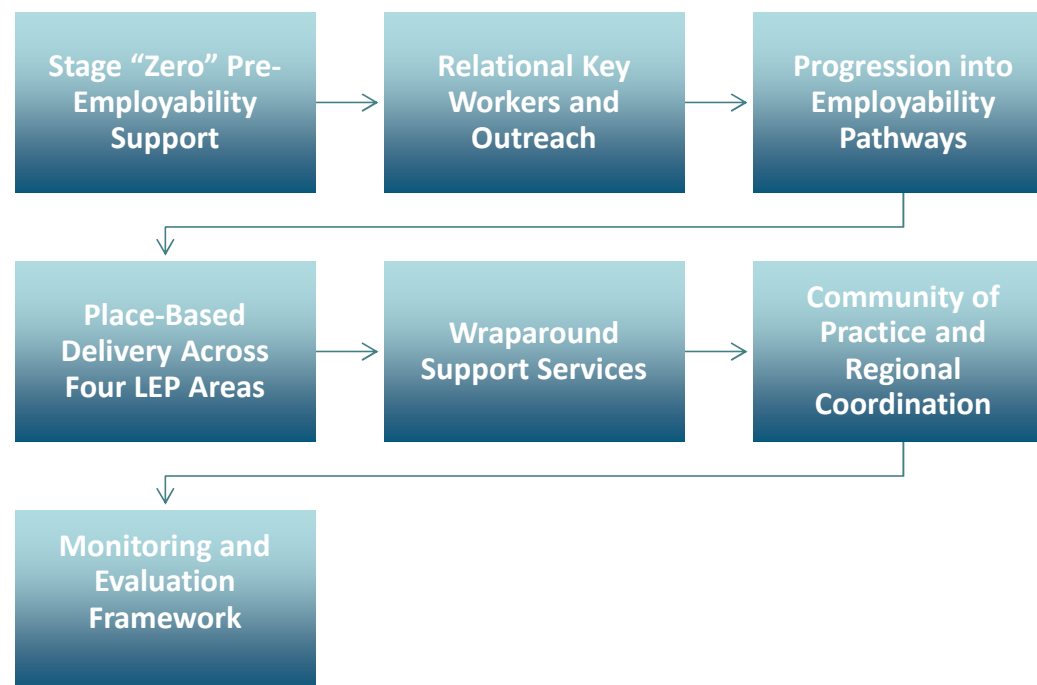

# The Approach

## Mission:

To provide holistic, family-focused, pre-employability support to those **furthest** from employment

## Our Hidden Talent:

Economically inactive residents, living in the most deprived areas of **Angus, Dundee, North-east Fife** and **Perth & Kinross**, facing barriers towards progressing into the labour market (e.g. poor housing, mental health, digital exclusion, childcare and transport challenges)
